1. PURPOSE

This Official Document Register is the index of Afrivate’s binding internal instruments. A document is not an official Afrivate policy unless it appears in this Register (or is a temporary Portal Memo that expressly states it is issued under authority of a registered policy and does not contradict a higher instrument).

2. PRECEDENCE (HIGHEST TO LOWEST)

1. Mandatory provisions of Nigerian law and Afrivate’s corporate constitutional documents
2. AFRI-SWP — Standard Work Process
3. AFRI-ORG-01 — Organisational Structure & Role Charters
4. AFRI-DOA-01 — Delegation of Authority
5. Specialist policies (including AFRI-ICEF-01, AFRI-VCC, AFRI-LAP-01)
6. Playbooks and handbooks (AFRI-TLOP-01, AFRI-EOH-01, AFRI-PUG-01)
7. Portal Memos — operational instructions only; they cannot silently repeal a higher instrument

If two instruments at the same level conflict, People & Culture issues a written determination; the CEO may override in writing.

4. INTERPRETATION RULES

- **“Employee”** in any legacy wording means Team Member, unless a paid employment contract exists.
- **“Must / shall”** is mandatory. **“May”** is discretionary. **“Should”** is guidance only and is avoided in binding clauses.
- **Days:** “Official work days” means Monday–Thursday unless AfriVate has declared otherwise in writing. “Calendar days” means consecutive days including weekends.
- **Portal record controls:** Where a decision must be recorded in the Portal, no informal channel creates that decision.

5. PUBLICATION AND MASTER COPIES

1. Master HTML/PDF copies are maintained under AfriVate’s official document repository as designated by People & Culture (including docs/official/policies/ in the company repository and the approved Drive vault).
2. The staff-facing binding copy is the version published in Portal → Resources with the matching Document Code and effective date.
3. People & Culture must update this Register in the same release as any addition, retirement, or material amendment of an official instrument.
4. WhatsApp and Slack cannot create, amend, or repeal policy.

6. INSTRUMENTS CREATED ONLY ON TRIGGER

INSTRUMENT	TRIGGER
Compensation & Benefits Policy	CEO approves a salary or stipend budget in writing
Expanded Information Security Policy	CEO or partner/audit requirement at material personal-data scale
Board / Governance Charter	Formal board constituted
Impact / MEL Framework	Grant or partner reporting obligation requires it

7. MINIMUM OPERATING SET

AfriVate treats the following as the minimum set every Internal Contributor must acknowledge before or within seven (7) official work days of access: AFRI-SWP, AFRI-ORG-01, AFRI-ICEF-01, AFRI-LAP-01, and AFRI-EOH-01. Team Leads must also acknowledge AFRI-TLOP-01 and AFRI-DOA-01. Pillar Heads must acknowledge AFRI-DOA-01.

GOVERNING LAW AND GENERAL

- **Governing law:** This document is governed by the laws of the Federal Republic of Nigeria. Subject to any mandatory forum rules, the courts of the Federal Capital Territory, Abuja, have jurisdiction over disputes arising from it.
- **Severability:** If any provision is held invalid or unenforceable, the remaining provisions continue in full force.
- **No waiver:** Failure by AfriVate to enforce a provision is not a waiver of that provision or any other provision.
- **Amendments:** Only the CEO (or a person the CEO expressly authorises in writing) may amend this document. The binding version is the version published under Portal → Resources (or the master copy designated in AFRI-ODR-01). Informal messages do not amend policy.
- **Acknowledgement:** Portal acknowledgement constitutes the Team Member's confirmation that they have read, understood, and agree to comply. Continued access after the effective date constitutes notice of the terms; acknowledgement remains mandatory within seven (7) official work days of access approval or of a material update notice.
