

AFRIVATE DELEGATION OF AUTHORITY

Document Code	AFRI-DOA-01
Status	Official — Binding
Applies To	CEO, Pillar Heads, Team Leads, People & Culture, Finance
Effective Date	2 August 2026
Review Cycle	Every 6 months
Owner	CEO

Rule of construction: Authority not expressly granted by this document, by AFRI-ORG-01, by AFRI-TLOP-01, or by a written CEO delegation is reserved to the CEO. When in doubt, escalate — do not invent authority.

1. PURPOSE

This Delegation of Authority states who may decide, approve, commit, publish, and escalate for Afrivate Technologies Ltd. It applies to all Team Members regardless of pay status.

2. DEFINITIONS

- **Approve** means the binding decision recorded in the Portal (or, for matters with no Portal workflow, in writing).
- **Recommend** means an operational opinion that is not binding until the Approver records the decision.
- **Cash Commitment** means any obligation that requires Afrivate (or anyone seeking reimbursement from Afrivate) to pay money, including subscriptions, vendors, travel, stipends, and contractor fees.

3. DECISION CLASSES

CLASS	EXAMPLES	APPROVER
A — Reserved	Mission change; entity actions; first salary budget; equity grants; crisis public statements; litigation strategy	CEO only (Board if constituted and required)
B — Pillar	Roadmap sequencing within pillar; programme playbooks; partner outreach within approved criteria; IC tasking within pillar	Pillar Head
C — Team	Task assignment; KPI agreement; first-level coaching/verbal or written warning; leave recommendation	Team Lead under AFRI-TLOP-01
D — Individual	Executing assigned work; accurate Portal updates; Slack acknowledgements	Team Member

5. LEAVE AUTHORITY (CONFLICT RULE)

If any playbook or Portal label appears to allow a Team Lead to “approve leave,” that means the Team Lead may record the operational recommendation or a Portal action only as configured. **The final decision on leave rests with People & Culture** under AFRI-LAP-01, unless the CEO has granted a written, time-bound delegation naming the delegate and scope. Silence is not delegation.

6. CASH AND PERSONAL OUTLAY

1. No Team Member may create a Cash Commitment without prior written CEO approval and Finance logging.
2. “I will pay personally and reclaim later” is a Cash Commitment and requires the same prior approval.
3. Unapproved spend is the personal responsibility of the person who incurred it.

7. ESCALATION

1. Team Member → Team Lead (Slack + Portal record where a workflow exists).
2. Team Lead → Pillar Head.
3. Pillar Head → CEO; copy People & Culture for people-risk; copy Finance for money-risk.
4. Direct CEO or Speak up route: critical risk, alleged misconduct by the reporting line, legal/safety risk, or whistleblowing.

For a crisis (immediate risk to operations, reputation, infrastructure, legal standing, safety, or user trust): the Team Lead must escalate to the Pillar Head and CEO within **sixty (60) minutes** of becoming aware that the matter is critical.

8. CONFLICTS BETWEEN DOCUMENTS

1. AFRI-LAP-01 controls leave procedure.
2. AFRI-TLOP-01 controls Team Lead operational duties within §4 of this matrix.
3. AFRI-ORG-01 controls ownership of outcomes.
4. AFRI-SWP controls work process and progressive discipline steps.
5. If still unclear: People & Culture interprets; the CEO decides finally in writing.

GOVERNING LAW AND GENERAL

- **Governing law:** This document is governed by the laws of the Federal Republic of Nigeria. Subject to any mandatory forum rules, the courts of the Federal Capital Territory, Abuja, have jurisdiction over disputes arising from it.
- **Severability:** If any provision is held invalid or unenforceable, the remaining provisions continue in full force.
- **No waiver:** Failure by AfriVate to enforce a provision is not a waiver of that provision or any other provision.
- **Amendments:** Only the CEO (or a person the CEO expressly authorises in writing) may amend this document. The binding version is the version published under Portal → Resources (or the master copy designated in AFRI-ODR-01). Informal messages do not amend policy.

- **Acknowledgement:** Portal acknowledgement constitutes the Team Member's confirmation that they have read, understood, and agree to comply. Continued access after the effective date constitutes notice of the terms; acknowledgement remains mandatory within seven (7) official work days of access approval or of a material update notice.
