

AFRIVATE VOLUNTEER CODE OF CONDUCT

Document Code	AFRI-VCC
Status	Official — Binding upon acceptance
Applies To	External volunteers and partner collaborators (not internal unpaid operators)
Effective Date	2 August 2026
Related	AFRI-ICEF-01 applies to internal unpaid Contributors instead

Scope boundary: This Code applies to external volunteers and partner collaborators placed with or through AfriVate programmes. Persons who operate AfriVate internally without pay are governed by **AFRI-ICEF-01**, not this Code alone. This Code does not create employment with AfriVate or with any Partner.

1. DEFINITIONS

- **Volunteer:** A person accepting an external volunteering, internship, mentorship, or similar placement under AfriVate or a Partner arrangement.
- **Partner:** The host organisation named in the opportunity or placement terms.
- **Written / writing:** Email, Portal record, or signed PDF — not WhatsApp alone.

2. PROFESSIONALISM AND EXCELLENCE

- Meet commitments, deadlines, and agreed deliverables.
- Produce work that meets AfriVate's quality standard for the role.
- Maintain skills required for the assignment.

3. INTEGRITY, CONFIDENTIALITY, AND IP

- Protect Confidential Information of AfriVate and the Partner; do not disclose without written authorisation.
- Record progress and blockers accurately in Portal tasks and Weekly check-in where those workflows apply; use Slack only for coordination.
- Do not speak on behalf of AfriVate without prior written authorisation from AfriVate.

- Unless a written placement term states otherwise, work product created for AfriVate in the placement is owned by AfriVate; work product created solely for a Partner under that Partner's brief is governed by the Partner's written terms. If unclear, ask People & Culture in writing before proceeding.

4. NOTICE AND DEPARTURE

- Give at least fourteen (14) calendar days' written notice before ending the engagement, except where immediate departure is required for safety or unlawful conditions (notify AfriVate immediately).
- Complete Portal handover: unfinished tasks, notes, learning records, and resources; clarify ownership on Slack.

5. SAFETY, FAIR TREATMENT, AND HOURS

- A Volunteer may refuse work that is unsafe, unlawful, unethical, or outside the agreed written scope, and must report it through **Portal** → **People** → **Growth** → **Speak up** (or to hr@afriivate.org if Portal access is unavailable).
- Harassment and discrimination are prohibited. Use Speak up for confidential reports.
- Volunteers must not be required to exceed the maximum hours agreed in writing for the placement.

6. OFFICIAL SYSTEMS

- **Slack:** Official coordination channel where issued.
- **Portal:** System of record for applicable workflows. A Slack message does not replace a required Portal submission.

7. END OF STATUS

AfriVate and/or the Partner may end the volunteering relationship immediately for serious breach, or otherwise on written notice, including for: consistent failure to meet agreed KPIs; breach of confidentiality or this Code; or conduct that materially damages AfriVate's or the Partner's reputation. Confidentiality and any IP assignment survive end of status.

8. GOVERNING LAW

Governed by the laws of the Federal Republic of Nigeria. Acceptance (including Portal acknowledgement) binds the Volunteer to this Code.

Issued for AfriVate Technologies Ltd,
