

AFRIVATE INTERNAL CONTRIBUTOR ENGAGEMENT FRAMEWORK

Document Code	AFRI-ICEF-01
Status	Official — Binding
Applies To	Internal unpaid Contributors
Not	A contract of employment
Effective Date	2 August 2026
Review Cycle	At first salary payment or every 6 months
Owner	People & Culture

Binding status disclaimer: This Framework governs unpaid internal contribution. It is **not** a contract of employment. Nothing in this Framework, in any title, in Portal access, or in the performance of work creates employment, a contract of service, partnership, joint venture, or agency, or any entitlement to salary, wages, benefits, equity, or severance — unless a separate written instrument signed by the CEO expressly creates that entitlement.

1. PURPOSE AND SCOPE

This Framework sets the exclusive terms of **internal unpaid contribution** to Afrivate Technologies Ltd.

It applies to every person who (a) holds an approved Afrivate Portal account assigned to an internal department or team, and (b) performs Afrivate work without current salary or wages paid by Afrivate.

It does not apply to external Pathfinders or partner-placed volunteers solely under AFRI-VCC, except where People & Culture states in writing that both instruments apply. If both apply and conflict, People & Culture issues a written determination; until then, the stricter confidentiality and IP rules apply.

2. DEFINITIONS

TERM	MEANING
Contributor	A person within the scope of §1.
Agreed Capacity	The weekly hour band (or equivalent deliverable expectation) recorded with the Pillar Head or Team Lead in the Portal (task, note, OKR, or Memo) or in writing.
Work Product	All work, code, designs, content, data, inventions, improvements, and materials created by the Contributor in the course of Afrivate work or using Afrivate systems/confidential information.
Confidential Information	Non-public Afrivate information including credentials, unreleased product plans, partner data, personnel data, financials, and security details.

3. NATURE OF THE RELATIONSHIP

1. Contribution is **voluntary and unpaid** unless and until a separate paid instrument is signed by the CEO.
2. Titles (including Head, Lead, Engineer, Designer, Officer) describe accountability only.
3. The Contributor is not entitled to insist on continued access, a minimum volume of work, or conversion to employment.
4. AfriVate may accept or decline contribution, and may end the engagement under §8, without stating a reason, subject only to any mandatory rule of Nigerian law that cannot be excluded.

4. AFRIVATE PROVIDES

- Access to systems reasonably required for the assigned role (Portal, Slack, and other tools AfriVate designates).
- Supervision and feedback through Portal workflows and Team Leads.
- Learning assignments AfriVate chooses to assign.
- Upon request and subject to good standing and proper handover: a factual reference limited to role, dates, and nature of contribution.

AfriVate does **not**, by this Framework, provide salary, stipend, equity, insurance, pension, leave pay, or expense reimbursement — except where the CEO approves a specific item in writing under AFRI-DOA-01.

5. CONTRIBUTOR OBLIGATIONS

1. Comply with AFRI-SWP, AFRI-ORG-01, AFRI-DOA-01, AFRI-LAP-01, this Framework, and all policies AfriVate requires the Contributor to acknowledge.
2. Maintain Agreed Capacity; request material changes in writing before reducing capacity.
3. Meet commitments, keep Portal records accurate, and acknowledge official Slack messages within four (4) hours on official work days during core hours.
4. Protect Confidential Information indefinitely after the engagement ends, except information that is public other than by the Contributor's breach, or that AfriVate authorises in writing to disclose.
5. Not speak for AfriVate externally without prior written authorisation from the CEO or Brand owner designated by the CEO.
6. Refuse and promptly report unsafe, unlawful, or unethical instructions through Portal Speak up or to People & Culture.

6. INTELLECTUAL PROPERTY

1. All Work Product is owned exclusively by AfriVate Technologies Ltd from creation.
2. To the extent any right does not automatically vest in AfriVate, the Contributor hereby assigns to AfriVate all right, title, and interest in the Work Product worldwide, and agrees to execute further documents reasonably required to perfect that ownership.
3. The Contributor waives, to the maximum extent permitted by law, moral rights in Work Product in favour of AfriVate's commercial exploitation.
4. Tools, templates, and credentials provided by AfriVate remain AfriVate property and must be returned or access revoked on exit.

7. ABSENCE FROM AGREED CAPACITY

“Leave” under AFRI-LAP-01 means authorised absence from Agreed Capacity. It is a continuity control, not a statutory paid-leave entitlement for unpaid Contributors. Unauthorised absence is a breach.

8. ENDING THE ENGAGEMENT

1. **By the Contributor:** At least fourteen (14) calendar days’ written notice to the Pillar Head and hr@afriate.org (or the then-current People & Culture address), with Portal handover completed.
2. **By AfriVate:** Immediate end for serious breach (including confidentiality, IP, dishonesty, harassment, or security violations); otherwise AfriVate will ordinarily give seven (7) calendar days’ written notice, or pay/provide no notice where contribution is unpaid — notice is a courtesy standard, not a right to continued access.
3. On end: access is revoked; Confidential Information duties and IP assignment survive.

9. PATH TO PAID EMPLOYMENT

If AfriVate later pays for a role, selection is at AfriVate’s sole discretion under written criteria published or applied by the CEO and People & Culture. Prior unpaid contribution is a factor AfriVate may consider; it creates **no automatic right** to an offer, salary level, or equity.

10. NO OTHER PROMISES

Any promise of pay, equity, or employment is void unless in a written instrument signed by the CEO (or a signatory the CEO has authorised in writing for that class of commitment). Verbal, Slack, or WhatsApp statements do not bind AfriVate on remuneration.

GOVERNING LAW AND GENERAL

- **Governing law:** This document is governed by the laws of the Federal Republic of Nigeria. Subject to any mandatory forum rules, the courts of the Federal Capital Territory, Abuja, have jurisdiction over disputes arising from it.
- **Severability:** If any provision is held invalid or unenforceable, the remaining provisions continue in full force.
- **No waiver:** Failure by AfriVate to enforce a provision is not a waiver of that provision or any other provision.
- **Amendments:** Only the CEO (or a person the CEO expressly authorises in writing) may amend this document. The binding version is the version published under Portal → Resources (or the master copy designated in AFRI-ODR-01). Informal messages do not amend policy.
- **Acknowledgement:** Portal acknowledgement constitutes the Team Member’s confirmation that they have read, understood, and agree to comply. Continued access after the effective date constitutes notice of the terms; acknowledgement remains mandatory within seven (7) official work days of access approval or of a material update notice.
