

MONTHLY PERFORMANCE APPRAISAL FORM

Document Code	AFRI-MPA-01
Status	Official form — not a policy
Audience	Team Leads and Team Members
Cadence	Monthly; feeds into AFRI-PAF-01
Effective Date	8 September 2026
Owner	People & Culture

How to use: Complete this form in a live monthly discussion. The Team Member completes Section A first. The Team Lead completes Sections B and C. Record the outcome in the Afrivate Portal where the workflow exists. Slack coordinates; it does not replace the Portal record. Monthly reviews feed into — but do not replace — the formal appraisal (AFRI-PAF-01). This form does **not** create employment or any right to pay. "Employee" in any older wording means Team Member.

This form supports a consistent monthly check-in between Team Leads and Team Members. It is intended to recognise achievements, surface challenges early, and agree on actions that support performance and professional growth.

People & Culture note: Monthly appraisal scores are used for performance tracking, coaching, and development. They do not directly trigger termination decisions but may inform formal appraisal outcomes (AFRI-PAF-01) and progressive discipline under AFRI-SWP / AFRI-PDP-01. Two consecutive months in the Below Expectations or Unsatisfactory band should trigger a referral to People & Culture to consider a formal Performance Improvement Plan (PIP).
